EVENT INFO

The event will take place in the days leading up to the huge annual Merit Open 2024 tournament in Cyprus. Cyprus can easily be reached with direct flights from Malta to Larnaca (Emirates Airlines) on Monday the 4th of November.

So if your already planning to attend Merit Open 2024, this is a great opportunity to warm up and extend the "backgammon holiday" with a quick trip to the Mediterranean sunshine island of Malta.

Malta Open will have a championship and intermediate flight. Both will be a double elimination tournament, where 11 or 13 points will be played in the Main bracket and 7 or 9 points in the Fighters bracket.

The top 4 from Main and Fighters will qualify for the quarterfinals where they will play again for 11 or 13 points.

SIDE EVENTS

Malta Open will run simultaneously with WBIF Tour Finals and offers side events such as Consultation Doubles starting on Thursday evening, Super Jackpot Friday evening, and Saturday Swing, which is our own take on the popular Mochy Millions on Saturday evening.
